

MEMBERSHIP APPLICATION PROCESS

In accordance with the constitution, membership is offered to people who wish to support and participate in the aims of Buddha House Centre for Advanced Buddhist Studies Inc.

In common with most incorporated associations, applications for membership require the sponsorship of two people who are themselves already members. This is to protect the association and ensure the aims are shared by members. Sponsors are signing to indicate support for the person to become a member.

In applying to become a member of Buddha House, you are asked to sign an affirmation that you support the aims and values of Buddha House, The Foundation for the Preservation of the Mahayana Tradition (FPMT) and His Holiness the Dalai Lama.

Membership is subject to Board approval, as specified by the constitution. Applications are normally considered monthly.

Please find attached the Membership Application form.

Membership is a popular
and practical way
you can support
Buddha House.

We need your
membership to survive.
Your generosity enables
our centre to flourish and
grow for the benefit of
the whole community.

Thank you
